

Dateisynchronisierung auf einem Gerät einrichten

The screenshot shows a mobile application interface for setting up file synchronization. At the top, the status bar displays '15:34 Sonntag 27. Juni' and '83 %' battery. The app's logo, consisting of three white circles, is centered on a blue background. A pink callout '1' points to a text input field labeled 'Serveradresse https://...'. Below it, a pink callout '2' points to a white button labeled 'Anmelden'. At the bottom, there is a link that says 'Zur alten Anmeldungsmethode zurückkehren'.
